Omc fuel filter cross reference

Have ordered from Crowley before. I will use them for all my boating needs. Very happy Jun, 17 by Ray. Problem fixed: Leaking fuel Gasket on fuel filter shrunk. Began leaking fuel. Replaced with a new one. Sep, 12 by Linda. They did a great job answering all my questions. Shipped my order out really fast. Jun, 25 by matthew. May, 22 by jeffrey. Right product, right price, prompt delivery. May, 06 by James. Crowley Marine is absolutely on point! It's hard to find a company nowadays that will send you the right product the very first time I will be using this company as much as I can. Apr, 20 by Art. You folks do a great job. I would like to see a tracking number for shipping in the future. Thanks Again You folks do a great job. Thanks Again Mar, 13 by Phil. Very fast shipping Easy to deal with. Oct, 10 by Bruce. Great experience. Received correct parts quick as expected. Jul, 07 by Spencer. Very good! May, 05 by joseph. Mar, 06 by Harold. Problem fixed: wasnt getting fuel would not run changed fuel filter , primer bulb fired right up. Jun, 25 by Paul. Ihis might be a good story or the oposite. I bought an EMM and an injector nozzle. Transaktion was good, spares came. Injector functioned well. It must be an internal falure. We are skilled, so no "mistakes" are done. It must simply be a malfunction inside the vary nice looking new EMM. What do i do now? Send it back and get a new one! Engine can not be started and program transfer is impossible!! May, 18 by Viqgo. Feb, 22 by Eldon. Jan, 11 by Bob. All the parts arrived and were in good condition. The only issue I had was that I ordered 2-day air and the parts were mistakenly sent USPS 3-day, but Wade made it right and refunded my shipping. I would purchase from Crowley's again in the future. Dec, 28 by Jason. Dec, 03 by John D.

Project went well. Typical job where the first time takes 4 hours and if I did it again it would be an hour tops. Saved myself a bunch of money for tackle and gas! I needed a new water pump and anoid on lower shaft carrier unit and seals on carrier as well as seals under water pump i ordered parts as usual delivery on time. As i was checking my manual i realized i needed an exhaust seal that i failed to order so called Crowley they had part i opted for three day shipping and got part on time to start repair. I dropped off the boat then picked it back up the next day as it was fixed.

It took too long 2 months to receive the order, and when I finally got it, three parts were missing. But the missing parts were shipped to me quickly, so it's all good. The parts were processed and delivered very quick. Problem fixed: Tilt trim switch on the engine replaced. I just thought all online ordering should go this way. Great job! Very Good. Too long time to deliver. Order came timely. Would rather support a small business than a conglomerate! The parts were the proper parts, however it took a month to get them. This was during the pandemic, so some grace is given. No communication response; left in the dark. Drop shipping would have been nice rather than a two step process. Quality OEM parts. Good product Good product 5 months ago by Pedro. Problem fixed: Engine surge Changed fuel filter and lift pump repair. Too easy Takes the confusion out of ordering parts Excellent Too easy Takes the confusion out of ordering parts Excellent 9 months ago by David. Vert Well Vert Well 9 months ago by Andre. Repair Difficulty Easy Repair Time 1 to 2 hours 10 months ago by john. Problem fixed: o ring on shifter bound up could not get the parts because everything was closed because of the Wuhan virus Crowley came up with the parts at a resinable price. Customer service is top notch. They instantly responded to dance during delivery concern, and shipped out a replacement part the same day I contacted them. This review actually covers several orders. I bought a used boat and needed to know what I had before taking it out. Used the tech tips and exploded views to figure out what parts I needed to service the Evinrude E-tec 90 hp. The phone support was excellent to make sure we I got the right parts. Changed water pump, thermostat fuel filter and fluids. As usual, no delays Great as usual. Problem fixed: Water pump seals and internal anoid I needed a new water pump and anoid on lower shaft carrier unit and seals on carrier as well as seals under water pump i ordered parts as usual delivery on time. It was good all and all it is a little pricey but that comes with owning a boat!!!! Repair Difficulty

Industry leading fuel filter element for outboard and inboard engines with high fuel demands. High-performance fuel injected engines require ultimate water separation, fuel filtration and maximum fuel flow. Ethanol-blended fuels hold more water and can increase the chances of water in fuel tanks, resulting in premature wear, poor performance and component damage. This filter offers 21 micron filtration and is ideal as a primary filter feeding a 10 micron or finer final filter to prevent it from loading up with course debris.
